Your Lottery money **supports** our vital care

At The Norfolk Hospice - Tapping House we:

- care for over 200 people a month at the Hospice and at home.
- care for people with cancer and neurological conditions, enabling them to live life to the full for whatever time is left.
- aim to provide the best level of care and the best quality of life.
- support families through our Bereavement Service.
- provide regular carer support groups.
- provide equipment, assisting people at home.
- provide transport, bringing people to the Hospice from all over the region.
- care for the whole person by dealing with the physical, emotional and spiritual needs of patients, enabling them to live their lives to the full, with dignity.
- believe that care should not be time limited and strive to provide care until problems are resolved or alleviated.

The vital work of your local Hospice relies on the generous support and voluntary donations we receive from our supporters.

We have to raise 85% of our £1 million running costs, so we are dependent on voluntary contributions and the generosity of the community to survive.

Our lottery is a great way of giving regular support to your local Hospice.

...you could win **£1,000** this week or next!

How **Our Lottery** works

- The cost per chance in the weekly draw is **£1**
- There is no limit to the number of chances you have.
- The lottery computer will allocate a unique number for each chance you have. This will be sent to you in the post.
- Your number(s) will automatically be entered in the draw every Friday (provided you are in credit).
- Each week, 33 winning numbers are selected at random by the computer.
- Each week, one of our players wins our **£1,000** jackpot.
- Winners do not need to claim. The winning cheques are posted immediately, it couldn't be simpler!
- Winning numbers are displayed in the **Hospice Shops**, in the **Lynn News**, announced on **KLFM** and can be viewed at www.norfolkhospice.org.uk

A better chance of winning

You are 15 times more likely to **win £1,000** in our weekly draw than in the National Lottery
Calculated from the National Lottery's own statistics
