

The Norfolk Hospice, Tapping House, requires

## **Volunteer Advertising Executive**

The Norfolk Hospice, Tapping House, is at the forefront of providing vital care and support to those people living with a life-limiting illness.

The Hospice is looking for volunteers to help us in a number of forthcoming projects and events through selling advertising space for programmes and other event publications.

Our events are well supported although we always aim to maximise the income generated by each event. There are occasions where we produce a programme or leaflet specific to an event and this provides a great opportunity to sell advertising space.

We are therefore looking for **Volunteer Advertising Executives** who are prepared to telephone companies to seek advertising and sponsorship packages for our events and activities.

**This voluntary role can be undertaken at a time convenient to the volunteer although it will need to be within "office hours".**

After initial training the volunteer will be able to make telephone calls from their own home or work (with reasonable telephone call charges reimbursed). Alternatively the volunteer is welcome to make the telephone calls from the Hospice or Fundraising Office.

A commitment to our vital care and support for people affected by life-limiting illnesses is essential.
