Gift Aid

Please make every pound you give worth 28% more to the hospice at no extra cost to you by ticking this Gift Aid declaration:

- I want the charity to treat all donations I have made since 6 April 2001 and all donations I make from the date of this declaration as Gift Aid donations, until I notify otherwise. I understand that I must pay an amount of income tax and/or capital gains tax at least equal to the tax that the charity reclaims on my donations in the tax year (currently 28p for each £1 you give).
- I am not a UK taxpayer.
- We would like to send you further information about the hospice from time to time. We will not pass your details to any other organisation. Please let us know if you do not wish to receive further communications by ticking this box.

"The people at the hospice were such a help to our whole family. I don't know how we could have coped without them"

The Norfolk Hospice - Tapping House

Since 1984, the hospice has been providing palliative care to people with cancer and other life-limiting illnesses, to enable them to live life to the full for whatever time is left.

At The Norfolk Hospice - Tapping House we:

- care for over 200 people every month at the hospice and at home
- care for people with cancer, neurological and other life-limiting conditions.
- aim to provide the best level of care and the best quality of life.
- support families through our Bereavement Service.
- provide regular carer support groups.
- provide equipment, assisting people at home.
- provide transport, bringing people to the hospice from all over the region.
- care for the whole person by dealing with the physical, emotional and spiritual needs of patients, enabling them to live their lives to the full, with dignity.
- believe that care should not be time limited, our care is there until problems are resolved or alleviated.

Help us make every day count

Making a donation to the hospice is more than just a gift gratefully received.

Your donation is an investment in the future of quality palliative care throughout Norfolk and the Fens.

The vital work of your local hospice relies on the **generous support and voluntary donations** we receive from our supporters. This support helps us to continue providing care to over 200 people every month of the year.

In life nothing is certain but, with your help, we can move towards ensuring that Norfolk and the Fens has the **finest hospice care possible, now and in the future.**

With your help we can support more people in more ways. We can **expand our services** to support our patients more comprehensively than ever before.

How you can help your hospice

Make a single donation to support our care services

The **difference** your donation can make

The range of practical and emotional support services we offer is varied, and our hospice costs £1 million a year to run.

Listed below are just a few of the services we offer and how much they cost us.

£25 can provide a one-to-one counselling session.

£50 can pay for a specialist palliative care nurse to carry out a home visit.

£100 can provide specialist equipment to aid mobility and independence.

£150 can provide therapeutic day care for one patient, including complementary therapies, creative activities and lunch.

£400 can provide carer support groups throughout the year for up to five people, giving advice and support to families coping with providing care for their loved ones at home.

£1,000 provides a specially adapted electronic bed for loan to a patient who wishes to spend their final days at home.

Making a **regular** donation

Making a regular donation to The Norfolk Hospice – Tapping House is the best possible way to support the care we provide in the community. Supporters who make regular monthly donations are vital to our hospice because their support gives us a clear idea of future income. This means we can help our patients and their families today, and also plan our services for the coming months and years.

Payroll Giving

Payroll giving is one of the **most tax-effective** ways of donating to the hospice. You can start, stop or change the amount of your donation at any time.

With Payroll Giving your donation is taken from your pay **before tax is deducted**. This means your donation costs you less and the taxman makes up the difference - it sounds complicated, but it's actually really simple to set up.

To become a payroll giver, simply tell your payroll department that you wish to support the hospice, and the amount you would like to give from your salary, and they will do the rest.

Once your donation is set up, you don't have to do any more. Each week or month, as regular as clockwork, The Norfolk Hospice - Tapping House will benefit. To find out more, please contact us.

What else can I donate?

- **Your time and expertise** by becoming a hospice volunteer. Why not utilise your skills and energy to support the work of your local hospice? There are so many ways you can help. Call us on **01485 543163** to find out more.
- **Your unwanted clothes, books & other goods** to our charity shops in King's Lynn, Downham Market & Snettisham. We can also recycle old mobile phones, used printer cartridges and jewellery to raise funds for our hospice.
- **Shares** – there can also be good personal tax benefits for you.
- **An auction or raffle prize** for one of our many community events.

Your support, in any form, is valuable and gratefully received. Thank you for supporting hospice care in our community.
