The Bowling Green Inn at Wells-next-the-Sea holds Christmas quiz to raise funds for local Hospice

Ten teams turned out and braved the snow to take part in The Bowling Green's Christmas Quiz in aid of The Norfolk Hospice, Tapping House.

The Bowling Green Inn is said to be the oldest pub in Wells-next-the-Sea with records of landlords going back to the 1680's and evidence of a pub on the site even earlier! The pub was seasonally decorated and made the perfect setting for the festive quiz. Everybody had a fantastic evening and raised a very useful sum towards the vital work of the Hospice. The Norfolk Hospice would like to say heartfelt thanks to Vicky (Landlady) and Zoë (Quizmaster) for organising the event. Hospice Community Fundraiser Ryan Kerr said "it was great to see so many people turn out to support the Hospice in such adverse weather! We had a great night!"

Notes to editors:

Since 1984, The Norfolk Hospice, Tapping House, has been providing palliative care to people with cancer, neurological and other life-limiting conditions, to enable them to live life to the full for whatever time is left.

Our services include: holistic day care, home hospice support, bereavement support for families, regular carer support groups, transport, equipment loan and an information service.

The area we serve is large and covers West and North Norfolk, neighbouring parts of the Fens in North East Cambridgeshire and the borders of South Lincolnshire.

We care for over 200 people a month at the hospice and at home. Our care is provided without charge, and it costs £1 million a year to run our Hospice. We depend on the generosity of the community to survive: 85% our costs are paid for by the individuals, organisations and groups who give generously to support our vital care. We are a Registered Charity, with reg. no. 1062800.

In life nothing is certain but, with your help, we can ensure that we continue to provide the finest hospice care possible, now and in the future.
