The Norfolk Hospice - Tapping House

(Reg. Charity No. 1062800)

Since 1984, the Hospice has been providing palliative care to people with cancer, neurological and other life-limiting conditions, to enable them to live life to the full for whatever time is left.

Our services include: holistic day care, home hospice support, bereavement support for families, regular carer support groups, transport, equipment loan and an information service.

We care for over 200 people a month at the hospice and at home. Our care is provided without charge throughout Norfolk and the Fens and it costs £1 million a year to run our Hospice. We depend on the generosity of the

community to survive: 85% our costs are paid for by the individuals, organisations and groups who give generously to support our vital care.

In life nothing is certain but, with your help, we can ensure that Norfolk and the Fens has the finest hospice care possible, now and in the future.
