

News Release

King's Lynn, Norfolk, UK, Friday June 19, 2009

The Feathers Hotel help Fundraise with a Fun and Sun-filled Art & Craft weekend.

The Norfolk Hospice, Tapping House was the grateful beneficiary of a cheque for £200 presented by Hayley Booth on behalf of Booth & Son Restoration Ltd, which was raised at The Feathers Hotel in Dersingham. A fun art and craft weekend was hosted in the recently restored gardens where local residents and holiday makers alike enjoyed the glorious weather, the raffle and games provided by the Hospice volunteers and the art and crafts on display on behalf of *Enchantments Arts & Crafts*. The barn at the Feathers Hotel will continue to display Art & Crafts for purchase by the general public.

Zena Penty, Fundraising Administrator for the Norfolk Hospice said, "We are very grateful to Derek Booth and the Management and Staff at the Feathers Hotel for all the hard work they put into hosting the event and the amazing job they did in managing to get the garden back to its former glory in such a short space of time. The sun shone and everyone involved had a thoroughly enjoyable weekend".

The Norfolk Hospice - Tapping House

(Reg. Charity No. 1062800)

Since 1984, the Hospice has been providing palliative care to people with cancer, neurological and other life-limiting conditions, to enable them to live life to the full for whatever time is left.

Our services include: holistic day care, home hospice support, bereavement support for families, regular carer support groups, transport, equipment loan and an information service.

We care for over 200 people a month at the hospice and at home. Our care is provided without charge throughout Norfolk and the Fens and it costs £1 million a year to run our Hospice. We depend on the generosity of the community to survive: 85% our costs are paid for by the individuals, organisations and groups who give generously to support our vital care.

In life nothing is certain but, with your help, we can ensure that Norfolk and the Fens has the finest hospice care possible, now and in the future.
