

## **SOMETHING MAGIC COMES TO TOWN**

Starr Winter Magic arrives in Norwich on Saturday 23<sup>rd</sup> January to conjure up laughter, smiles and urgently needed money for the local charity The Norfolk Hospice - Tapping House.

The show is a miraculous mix of illusion, comedy and thrilling magic.

One of Britain's most highly acclaimed masters of illusion Andrew Van Buren performs. Andrew's unique talents have baffled audiences through out the world and earned him the coveted membership of Magic's most exclusive society – The Magic Circle.

It's laughter all the way with the hilarious antics of Duo Delbosq whose infectious style of physical comedy knows no boundaries of language or age when it comes to pure entertainment.

An enchanting show recognised as the brand leader in genuine family entertainment which appeals to all ages.

Starr Winter Magic is presented by Circus Starr which occupies a unique position in British circus by raising thousands of pounds for local charities with the advance sales of show tickets to local businesses.

The donations from those sales go towards specialised equipment for hospitals and hospices.

Since proudly taking to the road 22 years ago, Circus Starr has raised more than £2 million for local charities.

The show will be in Norwich, St Andrews & Blackfriars Hall, with two performances at 1.30pm and 4pm and tickets are £11.50 and available by calling 01260 288690.
