Pampering at the Manor

Heacham Manor Golf Club Ladies section hosted a Pamper Evening on Thursday 1st April at Heacham Manor Hotel raising the wonderful sum of £320.00 for The Norfolk Hospice, Tapping House.

The event was arranged as a social evening for Heacham Manor members and friends. The ticket price included a glass of wine or soft drink and the choice from a range of mini beauty treatments on offer by staff from Reflections Beauty Studio located at Searles Leisure Resort. Lesley Trebbick, Ladies Vice Captain and also a 'Colour Me Beautiful' consultant gave two demonstrations and offered mini consultations. Heroes from Hunstanton displayed their range of casual clothing and Special Petals selected a range of handmade soaps and jewellery to show from their shop in Heacham, High Street.

Angela Boon, Ladies Captain said 'It was a very enjoyable evening where the participants left feeling relaxed and happy, having had an evening devoted to pampering. The Norfolk Hospice, Tapping House was the chosen local charity because of the excellent care they offer patients and their families in times of need.'

Zena Penty, Hospice Fundraising Co-ordinator said "We are extremely grateful to Angela for her continued event fundraising and to Vicky and the staff at Heacham Manor for being so accommodating and providing such an excellent venue. As a local charity it is vital that the community continue to support us and such events offer businesses the opportunity to promote themselves locally and for those attending to have an enjoyable evening out".

Angela Boon, would like to thank Vicky Searle, Rachel Richardson and all staff at Heacham Manor Hotel, Searles Country Club, Lesley Trebbick, staff from Reflections, Heroes and Special Petals for all their help and the time they gave free of charge to make the evening such a success.

Notes to editors:

Since 1984, The Norfolk Hospice, Tapping House, has been providing palliative care to people with cancer, neurological and other life-limiting conditions, to enable them to live life to the full for whatever time is left.

Our services include: holistic day care, home hospice support, bereavement support for families, regular carer support groups, transport, equipment loan and an information service.

The area we serve is large and covers West and North Norfolk, neighbouring parts of the Fens in North East Cambridgeshire and the borders of South Lincolnshire.

We care for over 200 people a month at the hospice and at home. Our care is provided without charge, and it costs £1 million a year to run our Hospice. We depend on the generosity of the community to survive: 85% our costs are paid for by the individuals, organisations and groups who give generously to support our vital care. We are a Registered Charity, with reg. no. 1062800.

In life nothing is certain but, with your help, we can ensure that we continue to provide the finest hospice care possible, now and in the future.
