For immediate release

03 March 2010

The search is on to find West Norfolk's brainiest businesses

Leziate Park and The Norfolk Hospice are on the lookout for West Norfolk's Brainiest businesses to take part in a charity quiz night on Friday 26th March, raising funds for the hospice.

Businesses taking part will be put to the test with various rounds of questions with each member of the winning team receiving a £10 gift voucher for the recently refurbished Lakeview Restaurant at Leziate Park as well as the coveted Brainiest Business trophy.

Leziate Park is also putting on special pre-quiz discounts in the Lakeview Restaurant so participants can also experience their 'Taste of Norfolk' menu for less beforehand.

Entry is £6 per team, of which 15% goes to The Norfolk Hospice, with up to 6 people per team and businesses can enter as many teams as they like. The Lakeview Restaurant will open early at 5pm for those wishing to take advantage of the special discounted menu, with the quiz night itself starting at 7:30pm in the Lakeside Function Suite at Leziate Park.

To enter a team visit www.leziatepark.co.uk or call Leziate Park on 01553 630393.
