### **Building 'Bridges' with local bands**

Heacham music management student Ryan Penty has just finished his 2<sup>nd</sup> year at The University of Hertfordshire and is putting some theory into practice by organising some gigs which showcase the hottest upcoming talent in Norfolk.

The first event takes place at the Snettisham Memorial Hall on Wednesday 16<sup>th</sup> June at 7.30pm and includes local bands 'Bridges' and 'Ringo Pacino' followed by a DJ. The gig will be suitable for all ages and a licensed bar is available. Ryan said "I hope the gig will be well supported as there are many excellent young bands looking for the opportunity to play for an audience."

There will also be a World Cup Sweepstake being held on the evening with the proceeds going to the Norfolk Hospice Tapping House. If you would like to run a sweepstake for the Hospice please ring the Hospice Fundraising Office.

For gig tickets or further information please contact Ryan on 07792133273 or the Hospice Fundraising Office on 01485 542891.

#### **Notes to editors:**

Since 1984, The Norfolk Hospice, Tapping House, has been providing palliative care to people with cancer, neurological and other life-limiting conditions, to enable them to live life to the full for whatever time is left.

Our services include: holistic day care, home hospice support, bereavement support for families, regular carer support groups, transport, equipment loan and an information service.

The area we serve is large and covers West and North Norfolk, neighbouring parts of the Fens in North East Cambridgeshire and the borders of South Lincolnshire.

We care for over 200 people a month at the hospice and at home. Our care is provided without charge, and it costs £1 million a year to run our Hospice. We depend on the generosity of the community to survive: 85% our costs are paid for by the individuals, organisations and groups who give generously to support our vital care. We are a Registered Charity, with reg. no. 1062800.

In life nothing is certain but, with your help, we can ensure that we continue to provide the finest hospice care possible, now and in the future.
